

Aanuoluwapo Isaac Afolabi

aanuoluwapoflb@gmail.com | +2348161243355 | Abuja, Nigeria

Resourceful IT professional with experience spanning network administration, technical support, customer support, and personnel management. Proven ability to improve system performance, evidenced by successful network upgrades and project cost savings of over ₦2 million. Holds professional certifications in Data Analytics & AI, Project Management, Human Resources, and Cybersecurity. Eager to leverage technical expertise and problem-solving skills to enhance IT operations and contribute to organizational success.

WORK EXPERIENCE

Freelance IT & Customer Support Specialist (Remote)

Self-Employed / FreelanceRemote 2023 – Present

- Delivered remote technical support and troubleshooting for clients, including Seyi Online Services and Fixxers Telecommunications Limited, resolving hardware, software, and connectivity issues.
- Provided multichannel customer support via email, live chat, and phone, consistently maintaining high customer satisfaction ratings.
- Diagnosed and resolved network, VPN, and remote-access issues for a geographically distributed client base.
- Managed help desk tickets end-to-end, prioritising issues by severity and impact to minimise client downtime.
- Guided non-technical customers through step-by-step troubleshooting, improving first-contact resolution rates.
- Onboarded new customers to software platforms and tools, ensuring smooth adoption and reducing repeat support tickets.
- Documented recurring technical issues and authored knowledge-based articles and FAQs to streamline future support.
- Collaborated with cross-functional remote teams across multiple time zones to escalate and resolve complex technical issues.
- Monitored system and application performance, proactively flagging potential issues before they impacted clients.
- Maintained strict confidentiality and data-protection standards while handling sensitive customer information.

Digital Technologies Teacher / Exam Officer

The NAOWA College Kurudu Abuja, Nigeria 05/2024 – Present

- Enhanced student academic performance, consistently achieving high pass rates in WAEC and NECO examinations.
- Mentored students in the Coding Club, leading them to victory in local coding competitions.
- Spearheaded network upgrades to improve performance and minimize downtime.
- Coordinated school athletics and ball games teams, guiding them to achieve medals in competitions.
- Designed, implemented, and maintained the school's Computer-Based Test system.

Network Administrator/ Assistant Chief of Staff (Admin) & Human Resources Manager

Fixxers Telecommunications Limited Abuja, Nigeria 09/2021 – 03/2024

- Directed personnel operations, ensuring the effective management and professional development of staff.
- Formulated and enforced organisational policies to enhance efficiency and ensure compliance.
- Conducted comprehensive network infrastructure surveys, maintained intricate computer network architectures, and performed rigorous network monitoring, diagnosis, and analysis.
- Configured IP phones and managed communication systems to ensure seamless on-site operations.
- Successfully managed projects, achieving cost savings exceeding ₦2 million.
- Instituted robust network management practices, guaranteeing reliable and secure operations.

Intern

BAYTEM Computer Engineering Enterprises Nigeria 05/2019 – 08/2021

- Resolved complex technical issues, significantly reducing system downtime.

- Optimized network performance and security through the implementation of efficient network management practices.
- Leveraged expertise in the Microsoft ecosystem and VMware to enhance system performance and boost productivity.
- Managed collaboration tools effectively, improving team productivity and inter-departmental communication.

IT support (Remote)

Seyi Online Services Nigeria 05/2021 – 08/2023

- Remotely resolved intricate technical issues, thereby minimizing downtime and elevating productivity.
- Delivered prompt and effective technical support, leading to enhanced customer satisfaction.
- Authored and maintained detailed documentation of technical issues and their resolutions.

Support Intern

LAUTECH ICT Centre Ogbomosho, Nigeria 05/2019 – 12/2019

- Contributed to the design, implementation, and maintenance of local area networks (LAN), metropolitan area networks (MAN), and wide area networks (WAN).
- Provided dedicated technical support for network-related challenges, expertly troubleshooting and resolving connectivity issues.
- Documented network configurations, operational procedures, and troubleshooting guides using Microsoft Office solutions.
- Executed routine maintenance on network systems to guarantee optimal performance and security.
- Collaborated with the IT team to develop and deploy network configurations, ensuring seamless operational continuity.
